

Comfort Cream

INCI: Aqua, Butylene Glycol, Triethanolamine, PEG/PPG-14/4 Dimethicone, Arnica Montana Flower Extract, Carbomer, Aloe Barbadensis Flower Extract, Phenoxyethanol, Ethylhexylglycerin, Benzyl Alcohol, Bisabolol, Glycerin, Sodium Benzoate, Potassium Sorbate, Parfum, Cyclopentasiloxane, Dimethiconol, Cyclotetrasiloxane, Tocopheryl Acetate, Disodium EDTA.

Uses

An after-peel gel that reduces redness and inflammation. Increases skin hydration after aggressive treatments such as peels, microneedling or laser therapy.

Instructions for use

Apply a thin layer to the skin and leave to work for at least 15 minutes. Remove any traces of cream and cleanse thoroughly.

Storage

Store at under 25°C. Avoid extremes of temperature (hot or cold) and keep out of direct sunlight. Close tightly after use.
